MINIMUM ELIGIBILITY CRITERIA

Depending upon Scholarship applied - Applicants must be Canadian Citizens or Canadian Permanent Residents or Landed Immigrants or have a Valid Student Visa

1. ENTRANCE SCHOLARSHIP

- Be registered as a full-time student in grade 12 at a high school in BC or has recently completed a Grade 12 graduation (within 2 years) and has not enrolled in any post secondary education within the time of high school graduation and the Winter Term of the current school year
- Plan on pursuing post-secondary studies upon graduation in an engineering or technology related field of study

2. POST SECONDARY SCHOLARSHIP

- Be registered as a full-time student in a post secondary institute (university, technical institute, or college) within the Province of BC for the current school year
- Be enrolled in an engineering related field of study

3. WOMAN IN ENGINEERING SCHOLARSHIP

- Must be a female student
- Be registered as a full-time student in a post secondary institute (university, technical institute, or college) within the Province of BC for the current year
- Be enrolled in an engineering or technology related field of study

4. NEW IMMIGRANT SCHOLARSHIP

- Be registered as a full-time student in a post secondary institute (university, technical institute, or college) within the Province of BC for the current school year
- Be enrolled in an engineering related field of study
- A person will be considered a new immigrant if he/she has arrived in Canada no earlier than 2 years before the application deadline

5. INTERNATIONAL STUDENT SCHOLARSHIP

- a. Be registered as a full-time student in a post secondary institute (university, technical institute, or college) within the Province of BC for the current school year
- b. Be enrolled in an engineering related field of study
- c. Must provide valid Student Visa for the current school year

SELECTION CRITERIA

Recipients for the Awards will be determined by:

- Academic Achievement
- Involvement in extra-curricular activities (especially involvement in either activities related to the engineering profession, or activities within the Indo-Canadian community)

- Needs basis as demonstrated by details in the application form

A SPEATBC Scholarship Recipient can be awarded only one scholarship in a period of three consecutive years.

The SPEATBC Executive Committee has the sole right to:

- Determine the number of scholarships to be awarded each year,
- Determine the amount of each scholarship, and
- Select the winning recipients of the scholarship awards.
